

§ 1110.9

16 CFR Ch. II (1–1–11 Edition)

(b) *Domestic products.* Except as otherwise provided in a specific standard, in the case of a product manufactured in the United States, only the manufacturer must certify in accordance with, and provide the certificate required by, CPSA section 14(a) as applicable, that the product or shipment in question complies with all applicable CPSA rules and all similar rules, bans, standards, and regulations applicable to the product or shipment under any other Act enforced by the Commission.

(c) *Availability of certificates—(1) Imports.* In the case of imports, the certificate required by CPSA section 14(a) must be available to the Commission from the importer as soon as the product or shipment itself is available for inspection in the United States.

(2) *Domestic products.* In the case of domestic products, the certificate required by CPSA section 14(a) must be available to the Commission from the manufacturer prior to introduction of the product or shipment in question into domestic commerce.

§ 1110.9 Form of certificate.

As required by CPSA section 14(g)(2), the information on a hard copy or electronic certificate must be provided in English and may be provided in any other language.

§ 1110.11 Content of certificate.

As required by CPSA sections 14(a) and 14(g), a certificate must contain the following information:

(a) Identification of the product covered by the certificate.

(b) Citation to each CPSC product safety regulation or statutory requirement to which the product is being certified. Specifically, the certificate shall identify separately each applicable consumer product safety rule under the Consumer Product Safety Act and any similar rule, ban, standard or regulation under any other Act enforced by the Commission that is applicable to the product.

(c) Identification of the importer or domestic manufacturer certifying compliance of the product, including the importer or domestic manufacturer's name, full mailing address, and telephone number.

(d) Contact information for the individual maintaining records of test results, including the custodian's name, e-mail address, full mailing address, and telephone number. (CPSC suggests that each issuer maintain test records supporting the certification for at least three years as is currently required by certain consumer product specific CPSC standards, for example at 16 CFR 1508.10 for full-size baby cribs.)

(e) Date (month and year at a minimum) and place (including city and state, country, or administrative region) where the product was manufactured. If the same manufacturer operates more than one location in the same city, the street address of the factory in question should be provided.

(f) Date and place (including city and state, country or administrative region) where the product was tested for compliance with the regulation(s) cited above in subsection (b).

(g) Identification of any third-party laboratory on whose testing the certificate depends, including name, full mailing address and telephone number of the laboratory.

§ 1110.13 Availability of electronic certificate.

(a) CPSA section 14(g)(3) requires that the certificates required by section 14(a) "accompany" each product or product shipment and be "furnished" to each distributor and retailer of the product in question.

(1) An electronic certificate satisfies the "accompany" requirement if the certificate is identified by a unique identifier and can be accessed via a World Wide Web URL or other electronic means, provided the URL or other electronic means and the unique identifier are created in advance and are available, along with access to the electronic certificate itself, to the Commission or to the Customs authorities as soon as the product or shipment itself is available for inspection.

(2) An electronic certificate satisfies the "furnish" requirement if the distributor(s) and retailer(s) of the product are provided a reasonable means to access the certificate.

(b) An electronic certificate shall have a means to verify the date of its creation or last modification.
